The true meaning of life is to plant trees,
under whose shade you do not expect to sit.

The Giving Tree

The Giving Tree will “grow” in the main entry rotunda of the proposed new library for Hummelstown, where it will serve as a permanent record of those who made generous gifts to the library. You are invited to help us spread the tree’s canopy and, in the process, make a new library possible for this and future generations.

Adding a leaf to the tree is an ideal way to honor someone’s memory, celebrate one of life’s milestones or pay tribute.

Three types of leaves are available:

Bronze Leaf: \$500

Silver Leaf: \$1,000

Gold Leaf: \$1,500

Your gift may be paid over a period of 3 to 5 years.

In addition, a limited number of foundation stones are also available at a cost of \$2,000 each.

The spreading branches of this Giving Tree are particularly appropriate in the library, where the seeds of knowledge are sown each day.

Yes, I want make the giving tree grow!
